

## Balzac Virtual Wine Tastings!

Get a group together to take part in an instructor-led wine tasting via video chat. Wines will be packaged per household to pick up from Balzac. Then the instructor will log on to talk through the wines. Prices are per person and are variable based on how many boxes/households are being packaged as well as what pricing tier you select. Email [tschissler@balzacwinebar.com](mailto:tschissler@balzacwinebar.com) to book or for more information.
