

# BALZAC

## SHARING IS CARING

*Balzac believes that sharing food brings us together. Our kitchen is designed for the preparation of small plates, and to encourage our guests to share. Expect dishes to arrive fresh, as soon as they are prepared; which means they probably won't show up at the same time. We hope you enjoy the flow of the courses, the evening, and don't forget the wine!*

### CHEESE BOARD /19/

3 cheeses / baguette / crackers /  
jam / nuts
